Dear Client,

Hold your place with Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed diam nonummy nibh euismod tincidunt ut laoreet dolore magna aliquam erat volutpat. These Latin-esque words are a portion of a common placeholder text file.

There's no need to adjust your browser or change your eyeglasses. If the first paragraph, above, appears greek to you — you aren't seeing things. It's an example of greeked text used by desktop publishers and others for years. The Lorem ipsum text is a series of somewhat nonsense sentences derived from some actual Latin components. It is also referred to as **placeholder** or **dummy** text. The purpose?
